"Our engaged employees are passionate about making a difference every day. They are the reason we continue to deliver a customer experience that is second to none," said Denise Thompson, Vice President, Human Capital Management, Intact Financial Corporation.

"When our employees feel supported, and have the tools that they need to succeed, we succeed as a business. We are an organization that is committed to learning and development, offering career and growth opportunities that add value, and celebrating the achievements of our teams."
