

Intact Named to 2019 LinkedIn Top Companies List

We're delighted to announce Intact has been named to the 2019 LinkedIn Top Companies List, which honours the 25 most sought-after companies to work for across Canada. Employees sharing the Intact story on LinkedIn are a big part of winning this award and because of it, we're ranked 20 nationwide!

The LinkedIn Top Companies list is informed by the billions of actions taken by more than 610 million professionals on LinkedIn. It is derived from a blended score looking at factors including interest in our company, your engagement and activity on LinkedIn, interest in our job postings, and our ability to retain great employees. Ranking highly on this list positions us as a destination for the top talent we want to join our team and helps them discover where they want their career to take them next.
