

Intact Financial Corporation Continues to Support People and Communities Affected by the COVID-19 Pandemic

Intact donates \$1.35 million to help Toronto's most impacted neighbourhoods and support their vaccination efforts

TORONTO, May 5, 2021 /CNW/ - Intact Financial Corporation (TSX: IFC) is donating \$1.2 million to United Way Greater Toronto to help people and communities who have been most affected by the COVID-19 pandemic. Intact is also donating \$150,000 to the City of Toronto to support the vaccination effort in hotspot neighbourhoods.

"We know the pandemic has been tough for many people, businesses and society – especially this latest wave. From the start, we've been focused on how we can help our customers with relief and support the communities where we live and work," says Louis Gagnon, President Canadian Operations, Intact Financial Corporation. "We're supporting individuals and families who are most vulnerable to the effects of the pandemic. We want to continue doing our part to help."

The donation to the City of Toronto will be shared equally between two organizations arranging transportation to drive residents in priority neighbourhoods to vaccination clinics. This donation will allow the Circle of Care for iRIDE and the Scarborough Centre for Health expand the number of drivers, hours and services for seniors, people with immunocompromised conditions, and people with disabilities who don't qualify for Wheel Trans.

"On behalf of the City of Toronto, I'd like to thank Intact Financial Corporation for their generous donation," says Mayor John Tory. "This support will help ensure the Circle of Care for iRIDE and the Scarborough Centre for Health - our community partners on the City's Vaccine Equity Transportation Plan - are able to help more vulnerable residents get safely to their vaccine appointment and back home."

In addition, Intact has given \$1.2 million to United Way Greater Toronto to support their efforts in helping the most vulnerable in the areas hardest-hit by the pandemic. The donation is part of Intact's corporate match of employees' donations to the 2020 annual giving campaign.

"Our work in neighbourhoods at the intersection of poverty, equity and COVID-19 proves that investing in local solutions, with and by community residents and agencies, makes a difference. Now, as we are in a third wave, we're so grateful that generous and forward-thinking companies like Intact are stepping up to ensure those who need help most are receiving the support they so urgently need – in their neighbourhood," says Daniele Zanotti, President & CEO, United Way Greater Toronto.

Quick Facts:

- To date, Intact has donated \$7 million to organizations across Canada to support individuals and families who are most vulnerable to the effects of the pandemic
- For every \$1 employees donated during Intact's 2020 annual giving campaign, the Intact Foundation contributed \$2
- Intact has donated \$3.5 million to United Way Greater Toronto and other United Way organizations across Canada
